

Reported Police Activity in your Neighbourhood

February 1st - 15th 2012

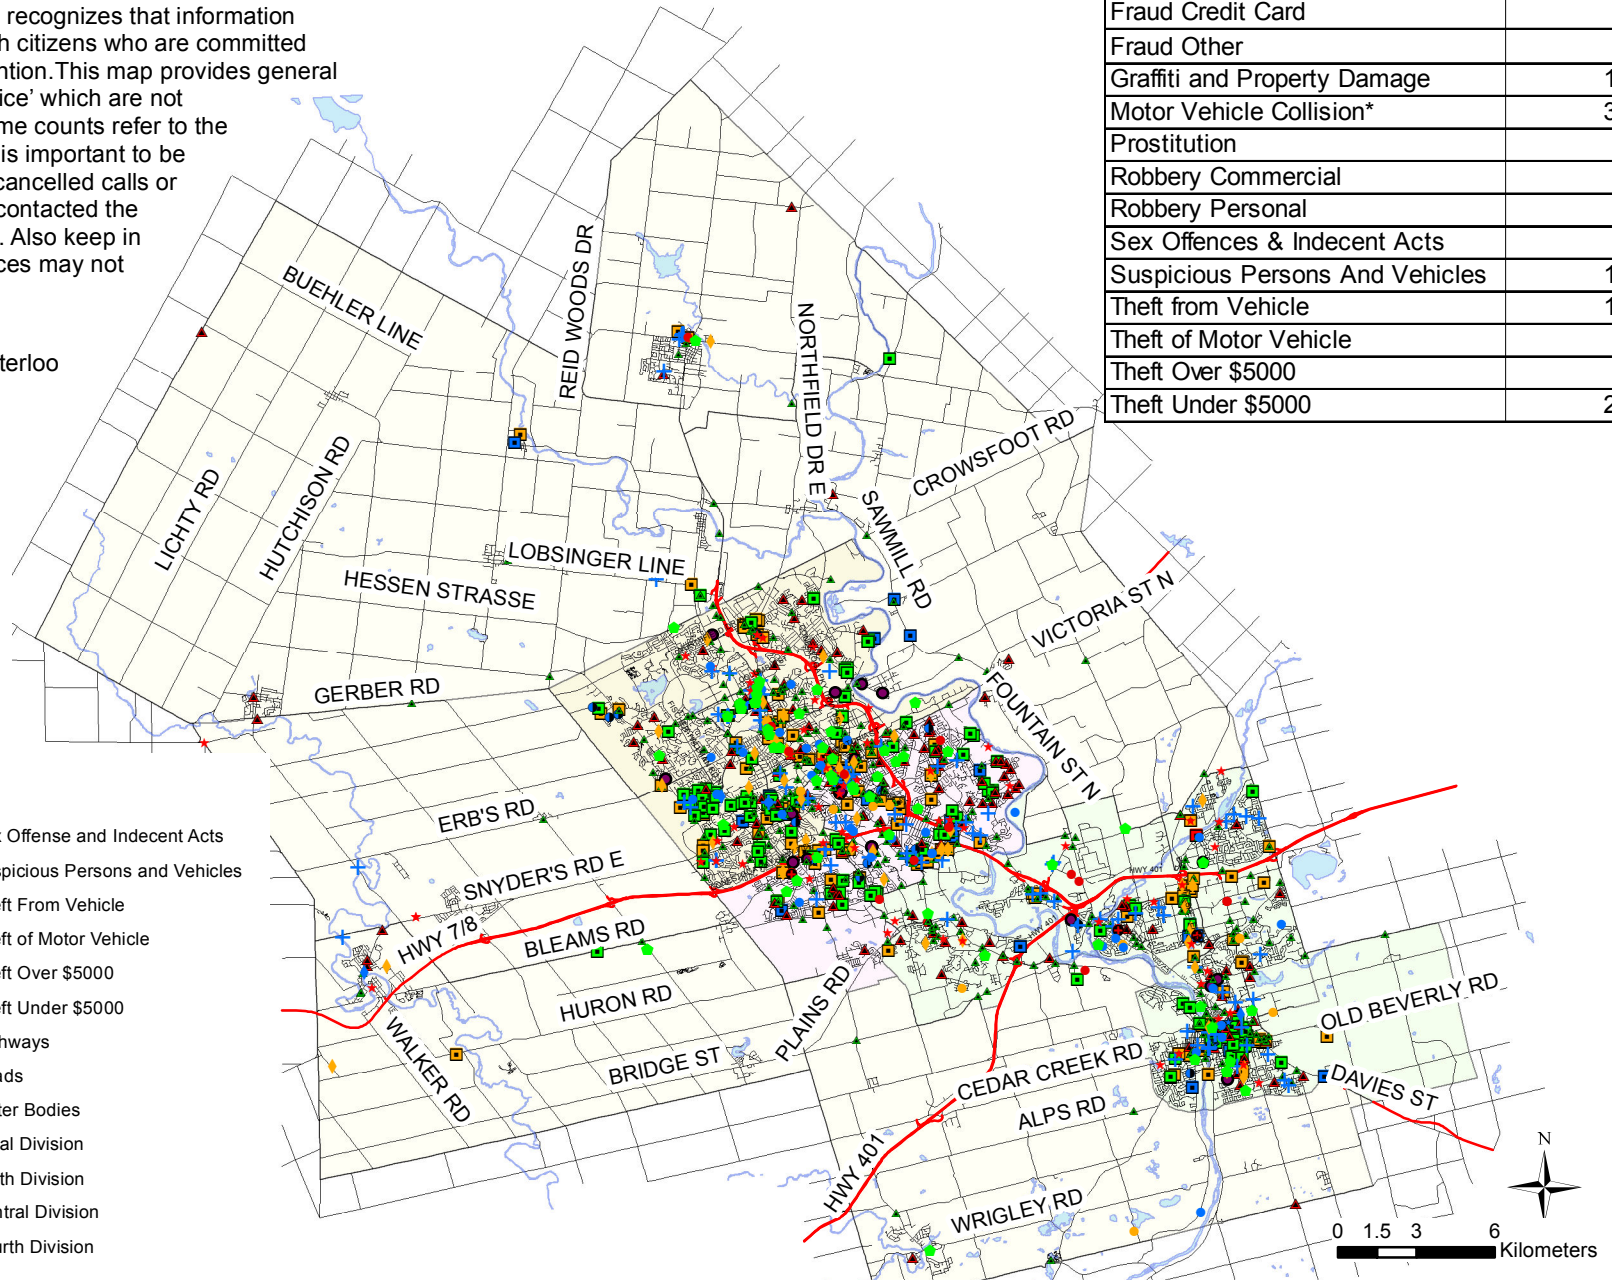

The Waterloo Regional Police Service recognizes that information sharing enhances our partnership with citizens who are committed to community safety and crime prevention. This map provides general information about police 'calls for service' which are not necessarily crimes. For confirmed crime counts refer to the Publications section of this website. It is important to be aware that this map does not display cancelled calls or duplicate calls where multiple people contacted the police regarding the same occurrence. Also keep in mind that in some situations occurrences may not be displayed graphically.
