

# Reported Police Activity in your Neighbourhood

## February 16th - 28th, 2011

The Waterloo Regional Police Service recognizes that information sharing enhances our partnership with citizens who are committed to community safety and crime prevention. This map provides general information about police 'calls for service' which are not necessarily crimes. For confirmed crime counts refer to the Waterloo Regional Police Service Annual Report found in the Publications section of this website. It is important to be aware that this map does not display cancelled calls or duplicate calls where multiple people contacted the police regarding the same occurrence. Also keep in mind that in some situations occurrences may not be displayed graphically.
